Stangers Get 2 New Lawyers

In the Will County Circuit Court in Joliet Monday Attorneys Francis J. Loughran and Palmer D. Guillo withdrew as counsel for Louis and William Stanger of Mokena, against whom murder indictments were returned several months ago.

Entering their appearance as attorneys for the Stangers were Geo. M. Kearney and John F. Tyrrell of Chicago.

A motion to quash the indictment was made by the new attorneys, with Judge James V. Bartley setting the hearing on the motion for Saturday morning of this week at 10 o'clock.

A renewal was made of the motion to admit the Stangers to bail. This motion, however, was continued. Previously the motion to admit them to bail was denied.

The Stanger brothers are being charged with the fatal beating of Luther Scott a world war I veteran of Mokena, father in law of their sister, Elaine Scott. Scott died in Silver Cross hospital, Joliet June 23, a week after he allegedly, was beaten by the Stangers in the course of a family quarrel.

COUSINS MEET IN ITALY

Pfc. Ralph W. Tilly and his cousin, Pvt. Owen Creer, both of Orland, and who are both somewhere in Italy, recently met and enjoyed an afternoon together and at the same time had their pictures taken.

Ralph said it sure was nice to see Owen, as Ralph has been overseas two years in January. And Owen was happy also to spend a few hours together. They expect to be able to meet occasionally as they are only five miles apart.

Ralph sent some souvenirs, handkerchiefs, post cards and a bracelet home this week.

MANY BLOOD DONORS FROM THIS TERRITORY

Mrs. Dena Hansen donated her 14th pint of blood last Friday at the Blood bank in Chicago. A really, fine record. Mrs. Hansen is from Tinley Park. Others from the same place who recently gave blood are: 5—Ethelyn J. Mehren; 3—Edwin C. Hug and 1—Mrs. Fern Mager.

Robert R. Gaddis of Mokena is also making a fine record in that the past week he gave his 10th pint of blood.

From Orland Park are: 2—Miss Bennice E. Uthe and Miss Hazel V. Uthe, her first time.

OVER 600 METHODIST YOUTH JOIN IN CRUSADE FOR CHRIST

Cars, trucks, buses and trailers, filled to capacity with young people rolled into Mendota, Ill. Sunday afternoon, November 12 to attend a Joliet-Dixon District Methodist Youth Rally.

Guest speakers during the afternoon session were Neyland Hester, National Conference MYF President, of West Texas (now studying at Garrett Biblical Institute at Evanston), and James Workman of Evanston, who is the Rock River Conference MYF President. Rev. Sneed of Rockford was the evening speaker. The theme of the Rally was the Crusade for Christ.

Local churches represented at the Rally were: Tinley Park, Frankfort Joliet and Plainfield.

Homer Girl Is A Lovely Autumn Bride

One of the lovely autumn brides is the former Eileen Louise Smith, daughter of Mr. and Mrs. Peter Smith, Homer Township who was married on November third to Ensign Thomas F. Wagner, USNR, son of Mr. and Mrs. Francis Wagner, 1729 Hamilton St., Lockport.

They were married at 4 o'clock in the chapel of the naval air station Pensacola, Florida, the double ring ceremony being used. Chaplain Don Ion officiated.

The bride wore a gown of white satin fashioned with draped bodice and full skirt of net trimmed with appliques of white satin flowers. A tiara of satin flowers on net held her alencon lace edged net veil in place.

She wore a cameo-looket worn by her mother on her wedding day and carried a bridal bouquet of orchids.

The bride was given in marriage by Mr. L. E. Chambers. Ensign Gerard Thiebault, USNR acted as best man. Mrs. L. E. Chambers, matron of honor, wore an aqua marquette gown and carried a bouquet of pink roses.

A reception was held at the Morton's Officers Club for approximately 25 guests.

Mrs. Wagner graduated from Lockport Township high school in 1940 and attended the Metropolitan Business College, Joliet. Prior to her marriage she was employed as a stenographer at the Texas Company, Lockport.

Ensign Wagner formerly of Joliet, graduated from Lockport Township high school and also was employed at the Texas Company, Lockport. In 1942 he enlisted with "The Flying Falcons" of Joliet and entered the naval air training in 1943. He received his wings in August, 1944, and is now an instructor at Ellyson Field, Pensacola, Fla.

RED CROSS NEEDS MORE VOLUNTEERS

More volunteers are needed by the Chicago Chapter Red Cross home service department to assist in handling the problems of returning veterans. Mrs. Edwin W. Eisendrath, chairman of the department, recently announced.

"As the war progresses," Mrs. Eisendrath said, "our work in counseling returning servicemen increases. This means a widened emphasis on that part of the home service program which deals with veterans. Our need for volunteers in this phase of the work is urgent, and those who have free time could make no finer Thanksgiving gesture than enrolling as home service workers."

A class to train volunteers in home service work will begin Nov. 21. This training will include lectures and practice work.

Home service department volunteers counsel servicemen concerning community resources, legislation and regulations, assist families and individuals in presenting applications and claims for government benefits, and help secure information needed by military authorities in matters of furlough, discharge and clemency. When ordinary methods of communications between the man overseas and his family at home fail, the department provided a means for exchanging messages in cases of emergencies.

Frankfort Couple Observe Silver Wedding Anniversary

Mr. and Mrs. Glenn Folkers of Frankfort celebrated their 25th wedding anniversary Sunday, Nov. 12 when they held open house in the afternoon and evening. Many friends and relatives called to congratulate the honored couple and signed the guest register.

The dining room table was laid with a hand made lace cloth and was centered with a large wedding cake, flanked on either side with silver candles in crystal candelabra. Through out the afternoon and evening Mrs. Folkers' nieces, Mrs. Frederic Kampe of Chicago Heights and Mrs. Henry Kampe of Lockport presided at the silver urns and Mrs. Leroy Mager served the wedding cake. The latter was assisted by Miss Charlene Folkers, daughter of Mr. and Mrs. Glenn Folkers, and Mrs. Adam Heisner. Potted chrysanthemums were arranged in the living room.

At five o'clock a family dinner was served to thirty guests in the parlors of St. Peter's Evangelical church where the table appointments were in silver and green. The centerpiece at the bridal table was a silver basket of white baby 'Mums'. The dinner was prepared by the Women's Guild of St. Peter's church of which Mrs. Folkers is president.

Mrs. Folkers is national secretary of the Rural Letter Carriers' Association and Mrs. Folkers is state secretary of the Ladies Auxiliary of the organization. Mrs. Folkers was attired in a formal gown of military blue lace and net over taffeta. She wore a corsage of tea roses, a gift from her daughter Charlene. The Folkers received numerous congratulatory messages, flowers and various gifts.

Settled for \$100 was the suit of Hal E. Roads, and his wife Cora 1501 E. Washington St., against C. L. Brown of New Lenox, this week. They were seeking to collect \$8000 from Brown. Mr. Roads asked \$2,500 for personal injuries, and \$500 was sought for damages to their car.

It was charged that a horse belonging to Brown ran at large on the highway, causing an automobile accident in which they were injured. It occurred June 24, 1943.

RECEIVE INTERESTING CLIPPING FROM ENGLISH PAPER

Mrs. Fred Willman of Tinley Park recently received a clipping from an English newspaper and two postcards from Mrs. G. M. Beales, Bonham Road, Kennington, Norfolk, England. The Willman's son Sgt. Frederick Willman has been a guest in the Beales home many times.

The newspaper clipping tells of the restoration work by an American Flying Fortress group of St. Andrews Parish of the Quidenham church at Norfolk.

This church, built in the fourteenth century, was partially destroyed from war activities and this American group raised \$2,400, among themselves and have had it restored to its original condition.

The restoration includes a stained glass window depicting an American airman in his flying kit being welcomed by Christ after his supreme sacrifice. The chapel consists of an Oak altar and communion rails with cross and candle sticks and altar hangings. The candlesticks and cross were made of American wood. The color scheme in all this is being carried out in the colors of the American Air Force, blue and gold.

The insignia of the bombing group and each of the squadrons it comprises is incorporated in this window.

The postcards Mrs. Beales sent Mrs. Willman show this church and the road leading to it before it was damaged.

14 FAMILIES AND 3 CHURCHES SEEK DRAINAGE RELIEF

Representatives for 14 families and three Mokena churches conferred with the Mokena Village Board relative to drainage relief. The group is from the northwest side of the village pointing out that they are contemplating running a string of 10 inch tile to Parker street, but they had learned that property owners on the other side of Parker street are threatening to get out an injunction if the water is run in their direction. The group wanted the Village Board to back them up, but in view of the threatened injunction the board members were reluctant to do this.

Mystery Shrouds Tragic Death

Mayor George Sangmeister of Frankfort and Roy Pfeiffer of New Lenox discovered the headless body of Gunnar Larson sitting in the cab of a pickup truck a mile east of the Mokena road on Lincoln highway, Sunday afternoon about 3 o'clock.

Shortly after-ward Sgt. Gilbert Knater of the State highway police came by and also saw the headless body. The Will County sheriff's office and Coroner Kingston were notified and police and the Coroner were soon on the scene.

The victim was identified from papers in his possession as Gunnar Larson, 46 years old, employed as a foreman by the Standard Paving Co., 30 N. LaSalle Street, Chicago. This company had been awarded the contract for the re-building of the Lincoln Highway pavement between the Mokena road and Route 45 and Larson was employed as the foreman of this job.

He formerly resided with his wife and four children at DesPlaines, Ill. until a month ago at which time his family moved to Portland, Oregon after selling their DesPlaines home. Larson came to Mokena and made his home temporarily with the Edw. Schmidt family until the road job was completed. He had planned to rejoin his family at Portland about November 15.

When found he was sitting in a Standard Paving Co. yellow 1936 Ford pickup truck which was parked in the center of a side road about 50 feet south of the Route 30 pavement one mile east of the intersection of Route 30 and the Mokena road.

The victim's head was blown completely off. The body was sitting perfectly erect on the driver's side of the car. The victim's hat was lying on the seat to the right of the body.

The hat was torn on the left side half way across the crown.

An old single barrel 12 gauge shot gun was lying across the victim's lap. His right hand was resting on his lap beneath the gun while the left hand was gripping the gun near the end of the barrel. There appeared to be powder burns on the left hand.

The left door window of the truck was rolled down. There were pieces of bone, flesh and blood splattered all over the inside of the truck cab. There also were pieces of flesh and bone lying in the road 20 feet to the east of the truck. There were no gun shot marks inside the truck cab. The ignition of the truck had been shut off.

A letter was found in the glove compartment of the cab signed by Larson and addressed to his wife, Mrs. Alethea Larson, 9539 North East Rodney Court, Portland, Oregon. Later Larson's room at the Schmidt home in Mokena was searched and letters found from Larson's wife, but there was nothing to show there was any family dissention.

Burlyn Eisenbrandt, aged 17 years of Frankfort, also an employee of the Standard Paving Co., was the last person to have seen Larson alive. When interviewed by the authorities he stated that he had borrowed a shot gun from George Busse of Frankfort for Larson to use when the latter stated he wanted to go pheasant hunting. Larson took Eisenbrandt to the east end of the corn field and then left in the truck to go to the west end of the field. They were to work thru the cornfield toward each other.

Larson had left his boarding place in Mokena Sunday afternoon about 1 o'clock. When searched a number of uncashed checks and 90 cents in change was found on his body.

The body was taken to the Western Funeral Home in Joliet. The widow was notified of the tragedy. The body was later shipped to the Daniel Murphy Funeral home, 7600 W. Grand Ave., Chicago from where the funeral services will be conducted.

Coroner Kingston had not conducted an inquest, waiting for Mrs. Larson to arrive.

The death car was towed to the Cooper & Hostert garage in Mokena. Larson had made quite a number of friends in Mokena and Frankfort during his brief sojourn here who were horrified to learn of his tragic death.

Washington, D. C. WAR IN SOUTH AMERICA

Most Americans have been so engrossed in the World War that if you told them war was brewing right here in the Western Hemisphere, they never would believe it.

Yet buzzing backstage in the Washington diplomatic corps has been a growing, worrying reverberation, over the ultimate danger of war between Argentina and Chile—not this year, perhaps not next year, but before very long.

Additional attention was focused on the unhappy situation with Argentina's bid for a conference of Pan-American foreign ministers—on an obvious move to put the U. S. A. on the spot and force recognition of the Fascist Farrell militarist government in Argentina.

The whole tangled diplomatic controversy between Argentina, the United States and other neighbors is so involved that it takes an expert to understand it. But out of the mess emerges these basic and alarming facts:

- 1 — Argentina is rushing armament. Hedy Lamarr's former husband, Fritz Mandel, the Austrian munitions king, about whom "Idiot's Delight" was written, is busy building airplanes for Argentina night and day.
- 2 — Argentina could bomb Santiago, capital of Chile, from Mendoza, just across the Andes, in 40 minutes. It would take five hours for Chile to bomb Buenos Aires, capital of Argentina.
- 3 — The people of Chile today are worried sick over Argentina. The Socialist, Communist and Conservative parties, usually vigorously divergent, are now united on this. They fear that the Argentine Fascists, looking for means of keeping themselves in power, as Hitler did with the German people, will make a Czechoslovakia out of Chile.

Brazilians Admire Argentina.

Other Latin Americans are divided. Paraguay, Bolivia, Peru sympathize with Argentina. Officially Brazil does not. But actually the Brazilian army, plus many of the Brazilian people, are rooting sympathetically for the one country south of the Rio Grande which has successfully thumbed its nose at the Colossus of the North and got away with it.

Nothing succeeds like success, especially in the Latin American mind. The state department adopted only halfway measures with Argentina; snubbed her diplomatically, but made her prosperous economically by continuing to buy meat. The Argentines didn't care much if they were snubbed as long as they were prosperous.

Result is that many "good neighbors," though not liking Argentine Fascism, enjoy seeing U. S. diplomacy come to grief.

NOTE — Meanwhile, the United States is less equipped to handle things in our own hemisphere than ever before in two decades. Secretary Hull is sick. His best Latin American experts were friends of Sumner Welles and were given the gate after Welles resigned.

CONCERNING THE WAR'S END

A lot of people have tried their hand at predicting the war's end, including this columnist. Some were high-up officials, some private prognosticators. Some were pretty good, some pretty bad.

Rep. Earl Wilson, Indiana Republican, in June, 1943, got an average compilation from 140 congressmen that the war would be over in October, 1944.

Adm. William F. Halsey, who predicted "complete, absolute defeat for the Axis in 1943," was asked again, on December 13, 1943, and "wasn't so sure when the war would be over."

Gen. "Hap" Arnold, chief of the air forces, on February 14, 1943, predicted "the German war will be over by February 14, 1944."

Jim Farley, on January 20, 1943, "The war will be over this year."

Gen. Levin Campbell, January 15, 1943—"The war will be over in about two years."

Herbert Hoover, November 6, 1943—"Certainly we are now in the last stages of the war."

Raymond Moley, November 8, 1943, predicted end of the war "earlier than envisioned by the administration."

Senator O'Mahoney, Wyoming Democrat, January 2, 1944: "The most conservative Swedish observers do not believe that Germany can endure beyond next June."

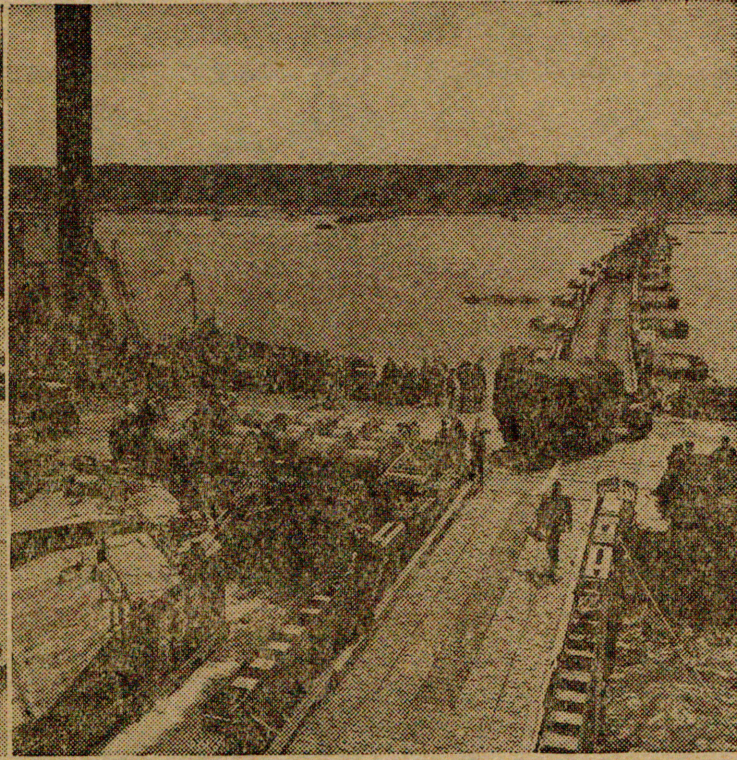

Sun Fo, president of the legislative Yuan of China, January 2, 1944: "Germany will be knocked out between the spring and summer of this year."

Henry Ford, March 20, 1944, predicted war would be over in two months.

Senator McKellar of Tennessee, July 21, 1944: "The Red army will be in Berlin in 60 days. The war will be over on all fronts in six months."

Congressman May, Democrat, Kentucky, July 28, 1944: "Germany will capitulate by December 1."

Commanded U. S. Navy Units in Biggest Victory

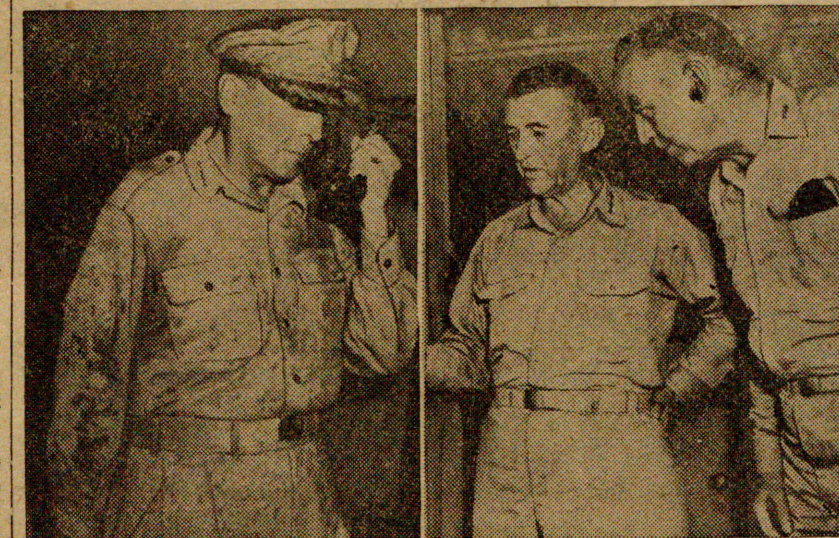

These are the three men who were in charge of the United States fleets that battled the Japanese, with such disastrous consequences to the Nipponese. Shown left to right are Rear Adm. Russell S. Berkey, U.S.N., Rear Adm. G. L. Weyler, U.S.N., and Rear Adm. Robert Ward Hayler, U.S.N. Latest tally indicates that 58 Japanese ships were destroyed, seriously damaged and hit, with a United States loss of six ships sunk. The loss in Japanese lives was believed to have been the greatest in history.

Salt Water Sailor on Leave

Back to the sea, goes this sailor, visiting Manhattan during shore leave. He spends his time ashore watching a miniature sailboat race in the Central park pond, in New York city. Among the sea-going men, the miniature boats in the pond prove one of the biggest drawing cards for Uncle Sam's tar when visiting the city. Many of the boats entered in races are sailor-owned.

CHRISTIANITY AND DEMOCRACY

LESSON TEXT—Mark 12:13-17; Romans 13:8-10; 1 Peter 2:13-17.
GOLDEN TEXT—Bear ye one another's burdens, and so fulfill the law of Christ.—Galatians 6:2.

No form of government can claim divine authority, for God's Word does not prescribe any special form of government. But (and this is most important) the principles upon which government should be established are clearly given in God's Word, and the form of rule which best fits into the teaching of the Word necessarily calls for our interest and support.

We find in the Bible the declaration that men are equal in the sight of God, that government is to be a ministry for God (see last week's lesson), receiving its authority from Him and serving Him in exercising that power. Men are to be loyal to the government because they are loyal to God.

Our lesson carries forward the teaching of last Sunday. It tells us that:

The Christian Citizen Is—
I. Subject to Both God and Country (Mark 12:13-17).

His devotion to God and the things of God is to be expected of the Christian. We almost said that it is taken for granted, and sometimes that is so true there is no reality in his life. But surely if he is a follower of Christ he must be devoted to Him and to His cause.

But what about his country? That relation appears anew in the striking story of Christ and those who came to test Him, yes, to trap Him with a skillful worded question.

The Pharisees, who hated Rome for its domination of Palestine, and the Herodians, who supported Rome in its control of the land, were enemies, but they joined forces to tempt Christ. They knew that if He said "Yes" to their question, the Jews would be angry, and if He said "No," He could be condemned as a traitor to Rome.

The trap was set, but it caught only the crafty lawyers. Taking their own pocket money He declared that if they used Caesar's money they ought to pay taxes to Caesar. The coin stood for an orderly government, benefits of which they enjoyed and which they ought to support.

No real Christian will evade his duty to his country whether it be to pay taxes, to take part intelligently in its government, to defend it, to pray for it, or otherwise to show his love. One of the blots on the Christian church is the lack of civic righteousness on the part of many of its members.

II. Devoted to Both Brother and Neighbor (Rom. 13:8-10).

The Christian loves his brethren; indeed that love is one of the tests by which we may know that a man is truly born again (1 John 3:14).

But that love reaches out beyond the circle of the brethren and touches every man who has need of it. The teachers of the Jewish law had sought to circumscribe that word "neighbor," but the Lord effectively dealt with that viewpoint in the story of the Good Samaritan (Luke 10).

All the commandments concerning the vital matter of personal relationship are summed up in the one admonition, "Love thy neighbor as thyself" (v. 9). When love controls, there will be no social dishonesty, strife or ill-will. There will be no violence to the person or property of another, for "love worketh no ill to his neighbor."

This is the real "good neighbor policy." Even between nations, we need more real love and less effort to impress one another by diplomacy and good will expeditions. Let there be less political manipulation and more loving, and we shall find our neighbor, both personal and national, responding in kind. Love draws out love from another.

III. Submissive to Both the Law of God and Man (1 Pet. 2:13-17).

"Fear God" (v. 17); that is, be eager that there is no failure on your part to please Him by obeying His law. That we expect of the Christian. But we expect more; he is to be a law-abiding citizen, obeying the laws of his country "for the Lord's sake" (v. 13).

The believer may, by his godly faithfulness to his government, effectively witness against the ignorant criticism of foolish men who would have us think that being a Christian makes a man a weakling, or so other-worldly that he is useless in this world.

Our freedom in Christ is not an excuse for careless or wicked living. Not at all—just the opposite in fact. We "honor all men." How can that be done? Only by the grace of God; but by His blessing we can do it. That makes for the real appreciation of man, which is the very foundation of our democracy. If it means anything, it must have as its foundation principle the supreme value of human life and the dignity of the soul of man.

But Why?
Try?

Our War With Japan

The Sixth War Loan marks a new turn in the war both on the fighting and the home fronts. It points our tremendous war effort definitely in the direction of the Pacific. During the first five war loans Americans were primarily thinking in terms of beating Hitler.

Now our government asks us for a loan of 14 billion more dollars of which five billion dollars must come from individuals. Why? Haven't we nearly finished off our so-called Number 1 Enemy? Can Japan hold up our powerful war machine very long? Your son, brother and friend in his Pacific foxhole wouldn't raise such questions because they are up against realities, not day dreams. They kill or are killed. They pray every waking moment for a sky-darkening cover of friendly planes. They thank America for giving them the finest medical care in the world when their rendezvous with destiny in a Pacific jungle is at hand. They know the war with the Japs is just beginning.

Here are some other Pacific realities so that you will understand why there must be a Sixth War Loan and why it is absolutely necessary that it be a success:

The Allied Military Command has estimated that it will take years, not months, to lick Japan.

Japan's present army numbers about 4,000,000 with 2,000,000 more men available and fit for military service who haven't been called up to date. Another 1,500,000, between the ages of 17 and 20, are not yet subject to the draft.

The Jap Air Force is growing.

In addition to millions of native workers, Japan has a potential slave force of 400,000,000 conquered people. 50% of Japan's labor force is made up of women. Another 25% boys and girls under 20, the balance men. The Jap workday is twelve to sixteen hours with two days off a month. The Jap cannot leave his job, change it, or strike. The highest daily wage equals about three American dollars—30% to 75% of which goes to taxes and compulsory savings.

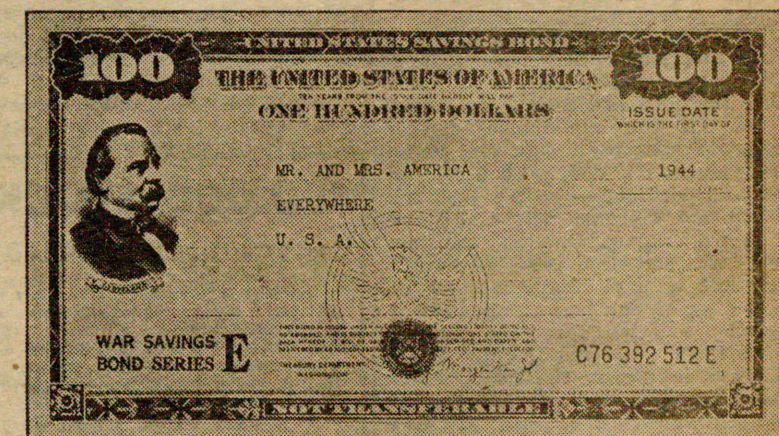

The Jap, as our men in the Pacific know, will fight to the death. As far as the Jap is concerned, the outer Empire—and the men who defend it—are the expendables. The Jap will fight the Battle from inside the inner Empire.

The Jap believes that we shall weary of war too easily and too early.

In the invasion of France, supply ships had an overnight run to make. In the coming Battle of Japan, ships in the Pacific will have long-reached round trips that often take five months to make.

These realities are worth thinking about before you keep your home front rendezvous with a Victory Volunteer. Perhaps you will feel that the national personal Sixth War Loan objective—purchase of at least one extra \$100 War Bond—is entirely too small for you. The better we face the realities confronting our forces in the Pacific the quicker the whole bloody business will be over and the sooner we will welcome home our fighting men. That's an American reality to work for with all our dollars and our sweat.

The WSCS of the Green Garden Methodist church held election of officers at its meeting Tuesday afternoon with the following results: Pres. Mrs. Wendell Morrison, re-elected; Vice Pres., Mrs. Edwin Drale, recording secretary, Mrs. Alfred Krapf; corresponding secretary, Mrs. Elmer Bettenhausen; treasurer, Mrs. Earl Bettenhausen; also the following secretaries: Spiritual Life, Miss Emma Andres; Literature and publications, Mrs. Wm. C. Bettenhausen; Supplies, Mrs. Elmer Morrison; Youth Work, Mrs. Earl Bettenhausen; Children's work, Mrs. Elmer Bettenhausen; Missions, Mrs. Henry Bettenhausen; Social relations, Mrs. Alvin Wanner.

Devotions were led by Mrs. Adolph Ulrich and Mrs. Elmer Morrison was in charge of recreation. Mrs. Morrison, program chairman, spoke on Work of Deaconesses. Refreshments were served. The next meeting will feature a potluck luncheon to be served at the church December 13. There will be an exchange of Christmas gifts.

Miss Ruth Fruechte, a niece of Mrs. Erich Bizer and Misses Esther and Martha Fruechte, Mrs. Bizer's cousins, all of Chicago, visited at the Bizer home during the weekend. Mr. and Mrs. Ellis Bittner and sons of Manhattan were dinner guests at the Stanley Johnson home Monday evening.

Mr. and Mrs. Alvin Bruggeman and Mr. and Mrs. Chas. Heisner attended a banquet last week at the Drake hotel during the convention of the Mutual Insurance Co.

Mr. and Mrs. Henry Geuther received word from their son, Pvt. Grant Geuther, telling them he was convalescing in a hospital in France from wounds inflicted by a sniper's bullet. He was reported wounded in action October 26. The letter was dated October 30.

Teddy Bogdan, A. B., who is serving with the Merchant Marines, has been spending a leave with his parents, Mr. and Mrs. Alois Bogdan. He will return to his home port, New York, Monday. He has made three trips across the Pacific.

The following letter appeared in the Wautoma, Wis. Argus and was written by Lt. June Wandrey to her parents Mr. and Mrs. Herman Wandrey of Wautoma, Wis. This story was sent in by Mrs. E. L. Knuteson of Frankfort who says the Wandreys are old neighbors and friends of the family and that Miss Wandrey is one of the first nurses to go overseas. She is in Surgery.

"Dearest Family: Here I am again on one of my special carbon copies. Tonight I took a ten minute break from that—or that is getting like a cell for me. I walked down the road to our headquarters that just moved in and borrowed the Red Cross gal's typewriter. Guess I am just plain lazy when it comes to writing long-hand.

Today we were supposed to get a break and have no more admissions for this stop—as one of our other platoons had moved up ahead of us. But the ambulance drivers began to miss their sign and ended up again at our door with a lot of non-transportables—so we just rolled out the welcome mat and started to work again. One of the patients was a little 5 year old French girl with a shell fragment wound on her back. She had long blonde pigtail, and her face was terribly white from pain and fright. There she was lying on the litter stark naked, huddled under a GI blanket to keep warm. She was chewing gum, that the ambulance driver had given her, as tho her life depended upon it, and didn't have a word to say.

Just to make you hungry, I am going to tell you what I had to eat today. Breakfast—dog biscuit, (no jam no butter), tea—soy bean cereal; dinner, (no jam, no butter), lima beans, stewed canned tomatoes; supper bread—no jam, no butter, coffee, dehydrated potatoes and some sort of greens that were so bitter we couldn't eat them. Hungry aren't you? Well, I am. Starved would be a better word for it, because we have been living like that most of the time since we have been in France. I am making a big indentation in my bottle of vitamin tablets. This might make good reading in The Argus—for all those people back home who envy us so, because we are seeing the world.

They never stop to think we are seeing the world from the deck of a ship that is being chased by Jerry submarine packs, and from the side of a snow-capped mountain that is being rocked from artillery fire, or from a living Hell like Anzio—with air raids on the hour, almost non-stop twenty four hours a day, alternating with shells and fiak dropping through the tent top. The world doesn't look very pretty from a fox hole with a steel helmet perched on your head.

This typewriter is giving me a bit of difficulty—tearing the paper. Oh, what am I griping for, guess I am not very cheerful. I did get some mail yesterday, and it did me more good than a big, thick, juicy steak would. My mind can function on without nourishment, but my tummy can't.

Love—June,
Somewhere in France."

A tour of the Good Will Industries was made Thursday afternoon by the following members of the Green Garden WSCS: Mesdames Wm. C. Bettenhausen, Wendell Morrison, Adolph Ulrich, Albert Borms Elmer Morrison, A. Landeck, Irvin Krapf, Chester Steinberg and J. Kinsey. They were accompanied by Rev. and Mrs. L. E. Winter and

Mrs. Blanche Mitchell of the Frankfort church.

The Youth Fellowship of St. Peter's Evangelical church met for a social evening Thursday. In the absence of the president and vice president Rev. Bizer presided at the meeting and Robt. Erdman read Bible passages. Future plans were discussed, including Christmas caroling, New Year's Eve entertainment and a Valentine party. The group is considering the purchase of choir robes. App DeVries, Marion Batson and Scherril Weichbrodt comprised the committee for refreshments. Games provided entertainment. The devotional meeting will be held November 19. Next social meeting will be on December 14.

The Women's Guild of the Green Garden Ev. and Reformed church met Thursday evening with Mrs. Geo. Albers hostess.

Mrs. Henry Breidert was hostess to members of the Amite Club Tuesday evening. Pinocle was played with Mrs. Herbert Gullikson of Joliet receiving the award for high score. Refreshments were served. In two weeks a business meeting will be held at the home of Mrs. Wm. Wischover.

Miss Lois Weitendorf entertained members of the Merry Go Round at her home Tuesday evening. Shirley Weichbrodt presided. The group signed Christmas cards for boys in the armed forces. A public card party has been planned and will be given in January. A Christmas party will be held at the home of Kay Lambrecht next month. There will be a gift exchange. Refreshments were served by the hostess.

Mr. and Mrs. Stanley Johnson will observe their ninth wedding anniversary Thursday, Nov. 16 and Mr. and Mrs. Harold Ulrich celebrated their seventh wedding anniversary November 14.

The Sunday School class of Mrs. Richard Oetter had a delightful time at a shower Friday honoring Mrs. Peter Kokal, the former Miss Bernice Haake, at the home of Mr. and Mrs. F. Haake. Crash bunco was played with a prize going to Miss Shirley Haake. A duplicate prize was presented the honored guest. Sixteen guests were present and participated in group singing, following the two course luncheon. A tablecloth, a gift from the class, was presented to the bride.

The name of Mrs. Louis Harms, mother of the bride to be, Emaline Brandley, was inadvertently omitted from the list of guests attending the bridal shower at the home of Mrs. Joe Scott last week.

Pvt. and Mrs. Roy A. Minger are the parents of a son born at Silver Cross hospital, Friday, November 10. Mrs. Minger is the former Miss Lois Walsh of Joliet. Pvt. Minger is serving with the armed forces in the Netherlands East Indies.

Mrs. Clara Kohlhaugen, president of the Amite Sewing Club, was honored last Tuesday evening at the meeting of the group at the home of Mrs. Henry Breidert. It was her birthday and the table at which the luncheon was served was especially decorated for the occasion. The club will meet next Tuesday evening at the home of Mrs. Wm. Wischover.

Mr. Lambrecht was pleasantly surprised Saturday evening when members of the Orioles quartette, Wm. Vokolek, Dr. Lloyd Betten-

hausen and Edwin Hirsch and their wives and accompanist, Miss Lillian Collins all of Chicago Heights, called at the Lambrecht home in honor of Mr. Lambrecht's birthday. A potluck supper was served at a late hour.

Mrs. Walter Pfaff and Mrs. Walter Baumgartner each entertained at a card party at their homes Friday evening. At the Pfaff home Mrs. Chas. Pfaff held high score and Mr. Baumgartner held high score at his home. Refreshments were served.

Thirteen young women met Monday afternoon at the home of Mrs. Leo Peterson to discuss the organization of a young matron's club and a Parent Teachers Association. Literature on PTA work was sent from Joliet. Another meeting will be held upon its receipt.

A meeting of the officers of the Frankfort Public School Alumni was called by Mrs. Stanley Johnson, president, to discuss ways and means of raising money. The organization will have the concession at the Cardox Co. dance which will be given at the school gym Saturday, December 2.

At the social hour following the business meeting of the Green Garden F Men held at the Town Hall Friday evening, honors for scores at pinocle were held by Mrs. Henry Wieland, Mrs. Louis Meisterling, Harold Ebert and Henry Knater. Audry Briva received honors at bunco. Refreshments were served. The next meeting will be held Friday, December 8.

The Methodist and Evangelical and Reformed congregations will unite in a Thanksgiving service to be held at St. Peter's church Thursday, November 23 at 10:00 a.m. The Methodist pastor, the Rev. L. E. Winter will deliver the sermon. Music will be furnished by St. Peter's church. Rev. Erich Bizer will conduct the service.

St. Peter's Youth Fellowship will hold a devotional meeting at the church Sunday evening.

Misses Betty and Wilma Mark attended a rally of the Joliet-Dixon district at Mendota, Ill., Sunday.

Miss Kathleen Brinkmeier of Washington, D. C. visited at the home of Rev. and Mrs. Erich Bizer Sunday. She is in Chicago attending the International Aviation Conference being held at the Stevens hotel.

Mr. and Mrs. Ed Hamann and son Wesley of Grant Park, Miss Dorothy Verrill of Momenca and Mr. and Mrs. James Morgan of Joliet were dinner guests of Mr. and Mrs. Gilbert Voss Sunday.

Visiting at the Baumann home Sunday were Mr. and Mrs. Oscar Baumann of Forest Park, Mr. and Mrs. Howard Bobzin and Mrs. John Bobzin of Oak Park.

Frankfort was well represented at the 33rd annual fall concert presented by the Joliet Township high school band Sunday afternoon at the high school auditorium. Frankfort members of the band are Arnold Bizer and Henry Heisner.

Dinner guests of Mr. and Mrs. Joe Scott Sunday were Mr. and Mrs. Ed Groth of Chicago, Mr. and Mrs. Henry Voss and son of Tinley Park and Mr. and Mrs. Walter Salzweid. On Tuesday Mrs. Scott left for Wheaton where she will spend a few days at the home of

Mrs. Frank Holstein. Evelyn Bruggeman, Y2-c of Washington, D. C. daughter of Mr. and Mrs. Alvin Bruggeman wrote to her parents that she is spending a week's leave at Tampa, Fla.

Glenn Voss presided at the organ at the wedding of Miss Dolores Palso and Robt. Buzz at Immanuel church at Peotone, Sunday.

—Then Look to the Brighter Days

For what America has done in this war, everyone should be deeply thankful. The days are bright with the wartime deeds of all America; its fighting forces and its working forces, men and women. Still brighter days are ahead, but we must not rest.

Let's pause only for a moment, this Thanksgiving. There is much to be done. Everyone must dig deeper and deeper for War Bonds. Our fighting men are carrying on, so our war workers must keep production humming. And the railroads must continue their vital transportation job as the war moves into its final chapter in the Pacific.

ROCK ISLAND LINES, a western railroad, is of ever increasing importance as America turns its eyes and its supreme effort toward the setting sun. Our 24,000 employees know this. They will see America through to the dropping of the last bomb, to that day of complete and total thanksgiving.

As yesterday—and today—so tomorrow ROCK ISLAND'S sole purpose is to provide the finest in transportation

Dear Friends:

I received the box of candy and I am very grateful to think you still have me listed as being from New Lenox even though I haven't been there since 1930.

The candy was delicious and arrived in very good shape. Inasmuch as I am very much on the chubby side, I passed the box around to the boys in my office. Needless to say it was received very cordially.

I was transferred to this staff the first part of May from Alameda. We hope to be moved to a forward area soon, and before all the "little brown brothers" have been eliminated.

Please give my best regards to everyone, and I wish to say that it is very pleasing to know that I am still remembered as being from New Lenox. Sometime when this is all over I hope I may be able to spend a few days back there and renew old acquaintances. When I read the Mokena News Bulletin I still recognize a few names.

Again I wish to thank you for the paper and the candy and also to wish each and everyone of you a very Merry Christmas and may all your friends and relatives in the armed forces be returned to you in the New Year.

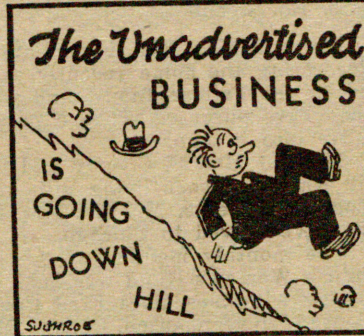

Lt. W. H. Swinson, USN. Aircraft Maintenance Division Staff, Commander, PPO San Francisco, Cal.

Dear Mr. and Mrs. Semmler:

Please excuse me for not writing sooner, but I am pretty busy and don't have too much free time to write in. We work about 10 hours I am a mechanic's helper now in the post garages. The work is fine and the fellows are swell down here too. I sure am glad to get the Bulletin for it is good to read about the things that are happening around home. Well there is not much more to write about, but I sure hope that the folks back home keep that mail going out to the boys for it is swell to get those letters.

Remember the thrill when this famous bomber made its first great raid on Japan's steel center? Well, a lot more B-29s are needed to finish the job. And that's where your War Bonds come in!

YES, only bombs and shells make any impression on Japanese minds. So before this war is won we've got to blast them with more than they can possibly take. Sure, it's going to be expensive. But that's what this 6th War Bond Drive is for—to provide money for the B-29s, the battleships and transports and tank landing boats that will ram this war right back down the Japs' throats. Eddie L. Lockhart, MM2-C, who has spent the past 20 months overseas, returned home last week to spend a 40 day leave here with his wife and parents, Mr. and Mrs. Geo. Lockhart. He was stationed in the states for six months training, before being sent overseas, the first five months was on the Atlantic and the past 15 months in the Pacific area. He served on the aircraft carrier U.S.S. Belleau-Wood and was engaged in battle against the Japs at: Baker Island, Tarawa, Wake, Tati-Tari, Kwajalein, Majuro, Mile, Malaelop, Apamama, Nauru, Truk, Saipan, Guam, Rota, Tinian and Pagan.

At one time he was but 511 miles from Tokyo, this being in the Bonin Islands, attacking Chichi-Jima. Two Jima, and Haha-Jima. They also took toll of the "little sons of Heaven" at Satawan, Yap, Palau, Kavien, Hollandia, and Sarmi in New Guinea and a few other places. Since last July, he has been in the Naval Air Transport Service, in Hawaii.

His traveling companion was shipmate, Dan Hennessey of Providence, R. I., who stopped off here before continuing east. He will also stop over for a few days on his way back. Both boys will report to the Naval Airbase in Alameda, Cal., for duty December 9.

Eddie is being entertained at several gatherings while here. Last Thursday night, a club he formerly belonged to, entertained for he and his wife at the home of Miss Theresa Graglia in Joliet. Sunday they were guests at a party in the home of Mr. and Mrs. Francis Kelsner in Gray, Ind. Monday his parents entertained at a family gathering in their home honoring Eddie and also the birthday of his sister, Violet at which time guests were: Pvt. and Mrs. Harold Lockhart and family of Camp Croft, So. Carolina who were also home on furlough; Miss Bess Lockhart and Miss Alice Applegate of Aurora; Miss Madge Jeffries of Chicago; Miss Violet Lockhart and the honored guests. Tuesday, the George Lockharts family and Eddie and wife were entertained in Chicago in the home of Mr. and Mrs. Buel Sinclair.

T. Cpl. Rollin Orr of Camp Hood, Texas, who is enjoying his first furlough following 3 years spent in the Aleutian Islands, visited Tuesday evening with Mr. and Mrs. Leonard Anderson.

The regular monthly meeting of the Royal Neighbors was held last Wednesday afternoon in the home of Mrs. Josephine Sayers. Guests were the district supervisor, Mrs. Carrie Krieger and state juvenile organizer Mrs. Anna Cooley of Chicago. The Charter was dropped for their departed neighbor, Mrs. Stella Daly with a special service. Bunco was played and prizes awarded to: Mrs. Laura Carlson, Mrs. Mary Marshall and Mrs. Edith Sayers. The next meeting will be the regular pot-luck Christmas party with a 25c gift exchange.

Mr. and Mrs. John Tarrant and family spent Sunday at Campus, Ill. with Mr. and Mrs. Phil. Zellar.

Braun Recreation hung into the lead despite the fact they dropped two games to the last place Paperhangers, because the 2nd place Oilers lost three games to the Robins.

Again the Smokers were off form in fact they lost 5 games out of the last 9, and still they are clinging to the lead by a 1 game margin. The Oilers are also in a slump as they dropped 6 games in a row. The high speeding V-Eighters stepped out again and took 2 games from the Bankers. Wally with 226 game kept the V-Eighters from sweeping the series. The V-Eighters have been traveling at a good pace lately as they have won 7 out of the last 9 and only 1 game from the lead. Looks like last year's champs are out to repeat.

The individual average dropped last night as new pins showed up on the alleys. Only about 4 or 5 bowlers held or bettered their average.

Looks like Andy Bueschel Jr., may show Bueschel Sr., a few tricks in bowling before the season is over.

Lt. Col. Walter P. Schindel arrived home late last Thursday for a 30 day leave with his family, after a flying trip from Teheran, Iran, where he has been stationed for the past two years with the army. Col. Schindel left Iran on Sunday afternoon and arrived in New York City Wednesday. Mrs. Schindel and children have been making their home with her mother, Mrs. Geo. Koeller during her husband's absence.

Lt. Bristol F. Lauffer has completed his training at Courtland Field, Ala., and has been transferred to Tyndall Field, Fla.

Philip C. Hacker has been made a Pfc. He is stationed in France. Congratulations Phil.

Arthur Hurley who is stationed with the air forces in Italy has been made a Sergeant. Congratulations. Artie.

Cpl. Wayne Raiser has returned to his station at Camp Cook, Cal., after a short furlough at home.

Dear Ladies:

Thanks for the candy and birthday card. I appreciate it very much. Can't say much about our movements as they won't permit us to do so. Thanks again. Sincerely, Elnor Monson.

MOKENA SCHOOL NEWS

Grades 3 and 4.

Betty Colclasure and Mary Cooney have left the 3rd and 4th grade room. Betty moved to Chicago Oct. 27 and Mary Nov. 13. Both will attend the Chicago schools.

The boys and girls of these grades are making tiny reproductions of buildings in Mokena. The framework of each building is made of toothpicks and then is covered with crepe paper. The activity developed from a study of Town Life in Geography. The Jr. Red Cross in our school will be quite busy within the next few days. Their Thanksgiving quota consists of 15 menu covers, 15 tray covers and 25 filled nutcrackers. Most of the articles will be shipped to Great Lakes hospital.

Grades 5 and 6. The pupils of room 3 grades 5 and 6 will entertain at an assembly program today at 2:30 in the gym.

The program will be: Pledge to the flag; dialogue, "Sign of Victory"; Song, "Swinging on a Star" all pupils; Playlet, "The Friendly Books", in honor of Book Week; "The Magic Hat"; Song, "Sunbonnet Sally and Overall Jim"; by Merlyn and Marcis Larson; Playlet, "The Seeds of Freedom."

Everyone is greatly interested in their science work book. It is fun to work with these books.

Many pupils are celebrating birthdays during November. They are: Joseph Carter, Steward Shoop, Merlyn Larson and Norman Palmer. JR. H. S. Room.

Robert Cooney moved this week so we have an enrollment of 35 pupils in our room.

Miss Rowena Neal from the Will County Health Dept., showed two films at our school Nov. 7. Namely, "The Value of a Smile," and "The Man who Missed his Breakfast."

ANN RUTLEDGE SCHOOL NEWS

By Ethel Mae Wieber

Annabelle McKenzie is absent from school.

The following stories were written for an English class by third graders:

"I like to watch my mother bake pies. She uses flour, salt, lard, water, fruit, sugar and a rolling pin. She makes the crust first. Then she fills the pie tin and puts it in the oven to bake. —Glenn Mueller.

Halloween my mother made cook-

ies. First she mixed the dough. Then she rolled it on the table. Then we used different cookie cutter to make the cookies the shape we wanted them. We put them in the oven to bake. —Ted Volke

Today it is stormy and I have to play indoors. I play bank or store. I like these games because I like to sell things and play with money. —Ronnie Schaper

High honors for first quarter go to Elsie Mueller, Wil amPollard, Annabelle McKenzie and Ted Volke.

Honors to Barbara Hauser, Wayne Pollard, Nancy Boze, Sonny Vaughn, Chas. Mianis, Ronnie Schaper, Shirley Heavner and Ruth Schaper.

Ethel Pollard stopped in for First Aid Monday evening.

Thank you for the beautiful card, Mrs. MacGrath.

Pasty Hunter had her tonsils out Saturday.

Rosamaria Schaper will celebrate her 12th birthday.

Bruno Genksis, Herbert Meyers, Ernest Mueller, Geo. Letts, Rich. Vaughn and Tommy Taylor washed our windows with the fire extinguisher. They had a grand time.

IN MEMORIAM

HILL, CHAS.—In fond and loving memory of our Uncle who passed away Nov. 13, 1937. Today recalls a memory Of a loved one gone to rest And those who think of him today Are the ones who loved him best.
ENDERS FAMILY

IN MEMORIAM

In memory of my mother, Mary Steinhagen, who passed away three years ago November 16. As the twilight hour draws near, And the sunset flames the sky I think of you dear mother, And the happy days gone by. Thoughts of you comes drifting back Within my dreams to stay To know that you are resting When the twilight ends the day. Sleep Mother, sleep. Your toil is o'er Sweet is your rest, so oft needed before. Well have I loved thee, but God loved thee more, He's called you away to that bright happy shore.

WHY QUINTUPLETS

use this great rub for SORE THROAT COUGHS due to COLDS

Wonderful for Grown-Ups, Too!
Ever since they were tiny tots—when the Quintuplets catch cold—their chests, throats and backs are immediately rubbed with Musterole.
Musterole gives such blessed prompt relief because it's more than just an ordinary "salve." It's what so many Doctors and Nurses call a modern counter-irritant. It not only relieves coughs, sore throat, aching chest muscles due to colds, makes breathing easier—but it actually helps break up congestion in upper bronchial tract, nose and throat.
And Musterole is so much easier to apply than a mustard plaster. White, Stainless. Just rub it on! "No fuss. No muss with Musterole!"

SNAPPY FACTS ABOUT RUBBER

Many rubber items in common use are shaped at the factories in giant extruding machines, which in general appearance and action are much like the ordinary kitchen meat grinder. Rubber, mixed with chemicals, is extruded in any shape desired—round, square, rectangular or tubular.

The critical operating temperature in a tire is about 240 degrees at its hottest point, and is reached quicker in a synthetic rubber tire than in one made of natural rubber. Speed, load and inflation are chief factors in developing tire heat, which accounts for tire users being cautioned about respecting them.

Mother says:
PAZO for PILES
Simple
Relieves pain and soreness
There's good reason why PAZO ointment has been used by so many millions of sufferers from simple Piles. First, PAZO ointment soothes inflamed areas—relieves pain and itching. Second, PAZO ointment lubricates hardened, dried parts—helps prevent cracking and soreness. Third, PAZO ointment tends to reduce swelling and check bleeding. Fourth, it's easy to use. PAZO ointment's perforated Pile Pipe makes application simple, thorough. Your doctor can tell you about PAZO ointment.

THE discussion involved a young fellow by the name of Stirnweiss, the Yankee second baseman. The general agreement was that his fine 1944 record placed him on top of all second basemen from both major leagues. Especially his base running in a year where base running was moving back with the Great Auk among the extinct species.

At this point I began to think of the greatest percentage base running of all time. A short while later I was lucky enough to run into the holder of this record, a tall, slender fellow by the name of Max Carey.

"No," Max said, "I was never much worried about even the fast and smart Stirnweiss breaking my two-year record. As I recall it I made 54 attempts to steal one season and got away with 52 of these. The next year I tried 52 steals and got by with 48. So out of 106 attempted steals I was thrown out only six times, completing what you might call 100 jaunts from first to second. I think my average for those two years was around .96 per cent."

"As you get older you begin to think more about any record you might have made. In my opinion base running is far more important than many managers seem to think it is. You'll see good hitters who get on pretty often, who are fast enough, stealing maybe three or four times a year. Clubs fail to realize that good base stealers can upset a pitcher more than almost any other factor.
"I'll tell you why," Mercury Max continued. "I never tried to steal off a catcher in my life. I ignored the catcher completely. I always stole off the pitcher, getting my lead when it was too late for him to change his pitch. Don't think this helped him any the next time I got on. For one thing it broke up his concentration and a pitcher's complete concentration is a big part of his job. It wasn't easy for him to be thinking of the runner on first and also putting that ball where he wanted it to go."

Base Running Wanted

"I know the fans like base running, a lot more base running than they are getting today."

"Who is the ballplayer that so many rate as the greatest of all time? His name is Ty Cobb. Cobb was a great hitter, but he was just as good a base runner. And one of the main things all old timers remember about Ty Cobb was his brilliant base running that upset many a defense. Cobb would steal from 60 to 96 bases each year. His total, as I recall it now, is close to 900 steals. You can understand how many games all this must have won. Cobb ran much wilder than I ever tried to. His idea was not only to get an extra base but also to crack the morale and steadiness of the catcher, the pitcher and the infield. Now and then he made hopeless attempts, just to keep them guessing."

"Yes, it was Cobb's base running they always talk about. You recall in the recent world series in St. Louis what so many were talking about? It was the 1931 series where Pepper Martin starred to beat the Athletics, and they were talking about Pepper's base running."

"As you know John McGraw and Ed Barrow always picked Honus Wagner as the greatest ballplayer of all time, even over Ty Cobb and Babe Ruth. Wagner, of course, was a great shortstop and a great hitter. But Honus didn't stop there. He was also a brilliant base runner. Carrying his 200 pounds, Wagner often stole more than 50 bases a year, which is one of the main reasons for his selection by two such eminent baseball authorities."

"I can't recall even an attempted steal in the recent games between the Cardinals and the Browns. No one tried to bother the pitchers by even faking a steal. This gave each pitcher a chance to keep his full concentration on handling the battle. The answer was 92 strike-outs in six games for a new record."

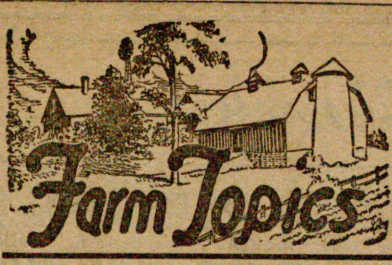

"I know the crowds like base running and base stealing. They get a thrill out of seeing some fast runner take his whirl from first to second. If he makes it he is only one hit away from a run. If he doesn't try, he is two hits away from a run unless it happens to be a long blow, a double or a triple. But teams today are waiting for the one big punch, the one big inning."

"That was alright when you had Ruth and Gehrig on one club. But not nowadays. Most of them now are one and two-base hitters. Especially one-base hitters. These could drive in a lot more runs if that man on first would only get to second. A lot of us used to get there. Why can't they get there now? There is plenty in the way of speed today to pick up 35 or 50 stolen bases a year for any fairly fast man."

"I know a great many thousands of fans feel about it just as I do. The game has been throwing away one of its greatest arts."

Feed Pigs Irradiated Yeast for Quick Gains

Vitamin D Feeding in Winter Is Profitable

The winter feeding of irradiated yeast to pigs should become a "must," following experimental work conducted at the University of Wisconsin. It was found that pigs that were fed four ounces of irradiated yeast in each ton of feed, and had access to cow manure, outdistanced all others.

The yeast-fed pigs made average daily gains of 1.51 pounds per head and required only 375 pounds of feed to produce each 100 pounds of pork.

The pigs used in the investigation were allowed to run outdoors, indicating that winter sunlight is not always sufficient to prevent vitamin D deficiency.

Despite the high price of irradiated yeast, the feeding of only four ounces to a ton of feed, makes it very economical to use.

Recent investigations indicate that rapid bringing to maturity of from 200 to 240 pounds will prove the most profitable weight under present conditions. Type of pigs arriving on the market would indicate that there is considerable room for breed improvement. Produce houses

report that too many rangy pigs are still being bred. Well managed pigs should produce a net profit of at least 86 cents per hundredweight, after all overhead, labor, food profit and other items are considered. Irradiated yeast should increase this margin of profit considerably.

Agriculture In the News

By W. J. DRYDEN

Grow Castor Beans

The castor bean crop has proved to be a profitable one on the light soils in many parts of the country, and is being grown commercially. Castor beans should produce 600 pounds to the acre, selling for from \$32 to \$38.

While the castor bean has given a notable performance in Florida, California and other of the southern states, it has done almost as well in the northern states.

Only about 10 per cent of the castor oil produced is now used medicinally. The balance is used for lubrication of airplane engines, a substitute for tung oil, solvent in paints, lacquers and varnishes, agricultural insecticide, the stalks made into paper and wall boards and the fiber into sacks and ropes. While it is growing it proves an ideal shade for poultry. It will be an excellent crop for many in postwar years.

Heat Soybean Meal

When soybean meal is properly heated, its power to promote animal growth through the nutritive value of its proteins can be improved by 40 per cent over that of the raw bean.

If the soybean meal is heated too little or too much, the improvement will be much less. It should be subjected to a temperature of 550 degrees F. for a little over two minutes in order to make its proteins more digestible. Proteins of wheat and oats are definitely impaired by heat.

New Turkey Breed

A new breed of turkey, the Jersey Buff, has been introduced by the turkey research farm of the New Jersey Agricultural college. The breed has been described as streamlined, small-bodied, broad-breasted and quick-maturing. It is particularly suitable for consumers who like a fresh-killed turkey of 15 to 18 pounds. It is said to make an excellent broiler turkey at 12 weeks of age, a fact that opens a new field for turkey growers.

Notes of an Innocent Bystander:

The Moom Pitchers: Lana Turner, whose marriages are always headlined, now appears in "Marriage Is a Private Affair." Lana carries on an absorbing cinema romance as though she invented kisses, while your eyes carry on a romance with Lana's Turners. . . . A comedy, "Rainbow Island," stars a sarong, ably supported by Dotty Lamour. The lilt is infectious enough to have a juke box named after them. . . . "Abroad With Two Yanks" exhibits some lusty, hair-on-the-chest humor, but more often the wheezes are tripping over their beards. . . . "San Fernando Valley" offers a batch of scenic-knacks—until the script ruins the view. . . . A postwar theme is handled shabbily in "My Buddy," making it the first atrocity of peace. . . . "Murders in the Blue Room" searches for goosepimples and gets lost in a deep yawn. . . . Hollywood entertainers overseas were shoved a fortnight ago. Recently Olivia De Havilland was stricken with pneumonia while touring the Pacific war zones.

The Intelligentsia: Paul Kennedy of the Times cinema staff is en route to Spain to report the imminent blowoff there. His ancestry is Irish-Spanish. . . . One of the first fashion editors to go overseas will be Life's new staffer, handsome Elmer Lower—destination Paris. . . . Henry C. Cassidy's piece on what to do with German prisoners is the feature of The Atlantic Monthly. . . . Gen'l Robert Johnson's first book, "But, General Johnson," (Princeton Univ. Press) contains a chapter titled: "The News, the Columnists, and the Commentators."

Quotation Marksmanship: Chas. Dana Gibson: A lady is a woman who always remembers others and never forgets herself. . . . Dwight Moody: I never met a man who has given me as much trouble as myself. . . . J. Hamilton: Only a wise man knows if he fell in love or was trapped into it. . . . Will Rogers: I don't make jokes. I just watch the government and report the facts. . . . H. R. Warfel: He made words march like warriors against ignorance. . . . Margaret Halsey: Bleak as the end of a love affair. . . . M. Dooley: The man who gets fat under the belt isn't as bad as the man who gets fat under the hat.

Broadway Ballad:

Make mine Manhattan—when the Autumn brings
Its soft enchantment to the noisy town—
When memories brush the heart with silken wings,
And all the leaves are turning golden brown.
Make mine Manhattan—when the moon is low,
And tiny taverns bid you enter in . . .
And thoughts go drifting back to long ago . . .
When constancy was marked the Crown-
ing Sin.

And yet how soon a foolish lad can learn,
That it was you who gave the nights their charm,
That it was you who made the torch-fires burn
In that brief space before we came to harm . . .

That it was you who made Manhattan mine—
When Autumn spilled its cask of golden wine!
—Don Wahn.

Ha-Hollywood: It happened on the MGM lot. A woman writer from New York saw a Red Cross mobile unit parked in front of one of the studios. She hadn't been to the blood bank in quite a spell and she thought this would be a good time to donate.

As a nurse checked on her history, it was discovered that the would-be blood giver was not an MGM employee.

The nurse consulted with the interne, the interne consulted with the doctor and the doctor pondered with his hand to chin.

"I guess it won't hurt," he finally decided, "but please keep it under your hat. We are not supposed to take anything on this trip but Metro blood."

It was at a cocktail party in Washington. A dowager asked a British Major: "What about the privileged classes in England?"

"I presume, madam," was his dead-pan reply, "you are speaking of your countrymen, because at the present time the only privileged class in England are the Americans."

True Story: A Navy officer writes us that a Naval hospital held a contest among the patients to find out how many could pick Betty Grable's legs out of a batch of leg pictures.

The only one who could identify them was a chaplain!
Add public service: NBC's program, "World's Great Novels," which dramatizes the best literature. . . . The news about another son of Ring Lardner being killed in action saddened the craft.

Pineapple Holder For Pots and Pans

Pattern No. 5789

AS GOOD-LOOKING as a real, golden-skinned pineapple! It is a crocheted potholder, 7 inches high and 5 inches wide, made of yellow crocheted thread. The green leaves at top are crocheted separately and then sewn on. Very easily crocheted and makes a most unusual shower or Christmas gift. The pineapple, you know, is a symbol of hospitality! So give your friends this lucky "pineapple" holder at the Christmas season.

To obtain complete crocheting instructions for the Pineapple Potholder (Pattern No. 5789) sketch of stitch used, send 16 cents in coins, your name, address and the pattern number.

Due to an unusually large demand and current war conditions, slightly more time is required in filling orders for a few of the most popular pattern numbers.

For Quick Cough Relief, Mix This Syrup, at Home

No Cooking. No Work. Real Saving.
Here's an old home mixture your mother probably used, but, for real results, it is still one of the most effective and dependable for coughs due to colds. Once tried, you'll swear by it. It's no trouble at all. Make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments until dissolved. No cooking is needed. Or you can use corn syrup or liquid honey, instead of sugar syrup.

Now put 2½ ounces of Pinex into a pint bottle and add your syrup. This makes a full pint of truly splendid cough medicine, and gives you about four times as much for your money. It keeps perfectly and tastes fine.

And you'll say it's really amazing, for quick action. You can feel it take hold promptly. It loosens the phlegm, soothes the irritated membranes, and helps clear the air passages. Thus it eases breathing, and lets you sleep.

Pinex is a special compound of proven ingredients, in concentrated form, well-known for its prompt action on throat and bronchial membranes. Money refunded if not pleased in every way.

WORRIED ABOUT BAKING WITHOUT DRY YEAST?

Fleischmann's Fresh Yeast Gives You the Same Good Results!

by Sally Cole

Director of Fleischmann's Testing Kitchen

EVEN though Fleischmann's Dry Yeast has gone to war, you can still bake as easily as ever with Fleischmann's Fresh Yeast!

This grand fresh yeast gives the same wonderful, dependable results you'd expect from Fleischmann's . . . and you can get as much as you want whenever you want.

So if you can't get Fleischmann's Dry Yeast, use Fleischmann's fast-acting Fresh Yeast. Use it in this new Quick Roll recipe, next baking day, and see for yourself how satisfactory it is to work with!

And by the way, Fleischmann's Yellow Label Yeast is the only fresh yeast that gives you EXTRA vitamins! Order some from your grocer today—a week's supply keeps perfectly in the ice-box.

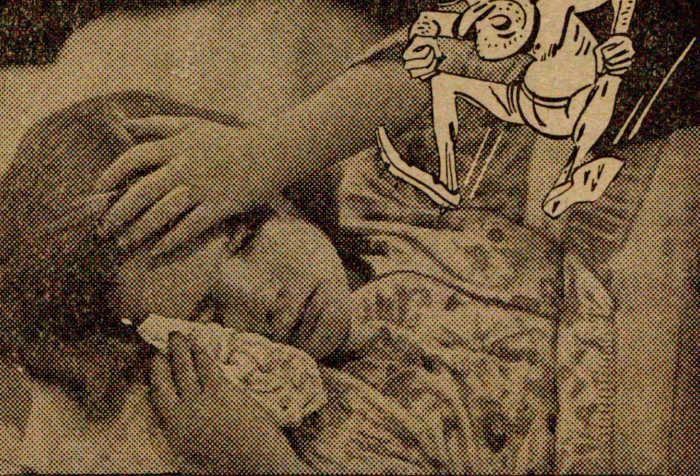

QUICK ROLLS
¾ cup milk 2 tablespoons sugar
1½ teaspoons salt
1 cake Fleischmann's Yeast
½ cup lukewarm water
3 cups sifted flour
3 tablespoons melted shortening
Scald milk, add sugar and salt; cool to lukewarm. Dissolve yeast in lukewarm water and add to lukewarm milk. Add 1½ cups flour and beat until smooth. Add melted shortening and remaining flour, or enough for easily handled dough. Knead well. Shape into rolls, place in well-greased pan, cover and let rise in warm place, free from draught, until doubled in bulk, about 1 hour. Bake in moderate oven (400° F.) about 20 minutes. Makes 1 dozen.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work--do not act as Nature intended--fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes--a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!
